

INTERNATIONAL CONFERENCE PROCEEDING PUBLICATIONS, POSTER PRESENTATIONS, AND BOOK REVIEWS

S.No	Name of Conference	Title	Venue	Year
1	International Conference on Material Science and Material Chemistry	Review of High Temperature Superconductors and Application	Paris, France	August 21, 2018
2	16th World Medical Nanotechnology Congress	Study of Room Temperature Superconductors	Tokyo, Japan	September 03-04, 2018
3	Current Trend in Nanotechnology	Study of Nanotechnology and its Application for Science & Technology	Garvin Publishers, USA	2019
4	4th International Conference on Communication Systems	Study of Microstrip Patch Antenna and its Applications for Communication Systems	BK Birla Institute of Technology, Pilani	
5	Global Conference on Nanomedicine, Nanobiology & Nanotechnology	Study of Temperature High	Tokyo, Japan	October 14-15, 2019
6	2nd Edition of World Nanotechnology Conference	Study of Magnetisation Antiferromagnetic in Superconducting Cuprate Perovskites	Philadelphia, USA	April 27-29, 2019
7	International Summit on Materials Science & Engineering	Study of Nanotechnology in Various Fields	Kuala Lumpur, Malaysia	November 21-22, 2019
8	9th International Conference on Advances in Applied Science and Environmental Technology - ASET	Study of Pseudogap Phase of Cuprate Perovskites	University of Westminster, London	July 20-21, 2019
9	3rd International Conference on Nanotechnology and Materials Science	Study of BCS Theory in Superconductivity	Rome, Italy	July 24, 2019
10	16th World Medical Nanotechnology Congress	Study of the Room Temperature Superconductors	Tokyo, Japan	03-04, 2019

11	8th Annual Conference of Analytix - 2020	Innovation in Materials Analytical Science	Tokyo, Japan	March 5-7, 2020
12	3rd World Congress & Expo on Nanotechnology & Materials Science	Study of the Pseudogap Phase of Cuprate Perovskites	Dubai, UAE	September 02-03, 2019
13	4th International Conference on Crystallography & Novel Materials	Recent Developments and their Future in the Field	Bucharest, Romania	November 19-20, 2018
14	Euro Scion Conference on Advanced Nanotechnology	Study of Nanostructured Superconductors	Athens, Greece	April 22-23, 2019
15	821st International Conference on E- Education, E-Business, E- Management and E- Learning (IC4E)	Teacher as Reflective Practitioners	Abu Dhabi, UAE	April 27-28, 2020
